Finlay Morton – New Single – “The Devil (Ain’t Getting My Soul)”
Release date – 6th April

Finlay Morton is an engaging minstrel with a bagful of tales to tell. Irreverent, heartfelt and honest. His combination of rock, blues, country and folk is perfectly captured on the lead track The Devil (Ain't Getting My Soul), taken from his forthcoming second album Back to Basics is reminiscent of early Joe Cocker or Chris Rea. The Devil has been powerfully remixed by the legendary John Ryan (Santana, Smashing Pumpkins etc) who tracked down Finlay after hearing another track of his on R2.

“Finlay is my kind of artist, honest songs packed with emotion and delivered with consummate style” – John Ryan, Producer .

The Devil is already enjoying airplay on R2 and strong early regional support.
